Welcome to Youth Dance Fest East!

After years of teaching and performing in the province, we saw a need for a unique dance festival that would support young dancers striving for both technical skill and artistic expression. Now in its fourth year, YDF East is dedicated to fostering artistic and personal growth in a non-competitive environment. Our focus is on encouraging engagement, collaboration, and a profound appreciation for dance. We strive to provide students with opportunities to deepen their dance knowledge and connect with fellow dancers. With a vibrant dance community in Atlantic Canada, we hope this festival will continue to inspire and cultivate a love for the art of dance.
